

### Day Camp

The Beckwith Township Day Camp is oriented for children ages 4-8. The activities range from low impact non-competitive sports to arts & crafts, games and weekly exciting trips. These activities may be broken up by ages 4-6 & 6-8 to allow the children to develop at their own speed. The Beckwith Day Camp has become well known for their enthusiastic, creative & interactive staff, that enjoys working with youth in a positive environment. Parents can feel safe knowing that their children are having fun with a 5:1 camper – counsellor ratio.

### Sport Camp

The Beckwith Township Sport Camp is oriented for children ages 9–13. The camp's goal this year is to offer competitive activities that will help develop motor skills & knowledge of various sports. These activities may be broken up by ages 9-10 & 11-13 to allow the children to develop at their own speed. After all, not everybody grows at the same rate. The ratio of camper – counsellor for this age group is 7:1

### **New This Summer! Beckwith Splash Pad**

Beckwith Summer Camp is very excited to be using the newly installed Beckwith Splash Pad with our campers this summer! The township installed the splash pad last year in celebration of Canada's 150th anniversary. Both the Sports and Day Camp will have the opportunity to use the new facility during our programming. Parents are asked to send a bathing suit and towel with their campers every day this summer for their use. Since we have this new resource available to us, the splash pad will be replacing the Wednesday swim.
