APPENDIX 1

SECTION 1 AUTHORIZATION AND ADMINISTRATION

1.1 Title

This By-law shall be known as the "Zoning By-law" or By-law No. 91-14 of the Corporation of the Township of Beckwith.

1.2 Defined Area

The provisions of this By-law shall apply to all lands within the boundaries of the Corporation of the Township of Beckwith except those lands as noted on Schedule 'A' which lands will continue to be governed by Zoning By-law No. 79-18, as amended.

1.3 Scope

No land shall be used and no buildings or structures shall be erected, altered, enlarged, or used within the Township of Beckwith except in conformity with the provisions of this By-law. This By-law shall not reduce or mitigate any restrictions lawfully imposed by an authority having jurisdiction to make such restrictions. No person shall change the purpose for which any land, building or structure is used, or erect any new building or structure or addition to any existing building or structure or sever any lands from an existing parcel if the effect of such action is to cause the original, adjoining or remaining lands, buildings or structures to be in contravention of this By-law.

1.4 Effective Date

This By-law shall come into full force and effect as of the date of passing hereof by Council.

1.5 Validity

Should any section, clause or provision of this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the By-law shall not be affected.

1.6 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine in accordance with the provisions of the Planning Act, and every penalty shall be recoverable under the Provincial Offences Act.

1.7 Remedies

Where any building, structure or use is in contravention of any provisions of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation.

1.8 Administrator

This By-law shall be administered by a person designated by the Council of the Township of Beckwith as the "Zoning Administrator".

1.9 Inspection of Premises

The Zoning Administrator or any employee of the Township of Beckwith acting under his direction, may, at any reasonable hour (as set out by Council), enter and inspect a property or premises for the purpose of carrying out his duties under this By-law. Notwithstanding the foregoing, the Zoning Administrator or other employee shall not enter into a dwelling unit without the consent of the occupant except under the authority of a search warrant.

1.10 Licences and Permits

No municipal permit, certificate, or licence shall be issued for a proposed use of land or a proposed erection, alteration, enlargement or use of any building or structure that is in contravention of any provision of this By-law. In addition, where the approval of another agency or authority is required, such approval shall be obtained and submitted to the Zoning Administrator at the time of application for a building permit.

1.11 Certificate of Occupancy

No change shall be made in the type of use of any land, building or structure within any zone, without first obtaining a Certificate of Occupancy from the Municipality.

1.12 Interpretation

The provisions of this By-law shall be held to be the minimum requirements except where the word maximum is used, in which case the maximum requirement shall apply.

In this By-law, the word "shall" is mandatory; words in the singular include the plural; words in the plural include the singular number; words in the present tense include the future.

1.13 Repeal of Existing By-laws

All By-laws of the Corporation enacted pursuant to Section 34 of the Planning Act, or a predecessor thereof as they affect the lands which are governed by this By-law, are hereby repealed and such repeal shall come into effect upon the date this By-law comes into force.

1.14 Request for Amendments

Every request for an amendment to this Zoning By-law shall be accompanied by a completed copy of the Corporation's Application for Amendment to Zoning By-law'.

1.15 Technical Revisions to the Zoning By-law

Revisions may be made to this By-law without the need for a Zoning By-law Amendment in the following cases:

- (a) Correction of grammar, punctuation or typographical errors or revisions to format in a manner that does not change the intent of provisions;
- (b) Adding or revising technical information on maps or schedules that does not affect the zoning of lands including, but not limited to, matters such as updating and correcting infrastructure information, keys, legends or title blocks;

- (c) Changes to appendices, footnotes, headings, indices, marginal notes, tables of contents, illustrations, historical or reference information, page numbering, footers and headers, which do not form a part of this By-law and are editorially inserted for convenience of reference only.

Only 2 persons shall be actively working on-site in the home occupation at one time, with an aggregate of no more than four persons in any one location for multiple occupations/industries.
- (c) for businesses as defined in Section 2.50(d), no more than 2 persons, other than a member of the family of the owner or occupant, shall be engaged in the home occupation;
- (d) where instruction is carried on, no more than 10 pupils are in attendance at one time;
- (e) for all other home occupations, with the exception of those uses specified in Section 2.50(e), a maximum of 3 clients may be present on-site at one time;
- (f) the only retail uses allowed shall be for those products substantially manufactured on-site or accessory and essential to the business;
- (g) no mechanical or electrical equipment is used except that which is necessary for the home occupation and the residential use. Mechanical and electrical equipment shall not impact on adjacent hydro supply. Noise from the mechanical and electrical equipment shall not exceed the following limits:

Community Development Areas:

50 dBA from 7:01 a.m. to 10:59 p.m.

45 dBA from 11:00 p.m. to 7:00 a.m.

All other areas:

45 dBA from 7:01 a.m. to 10:59 p.m.

40 dBA from 11:00 p.m. to 7:00 a.m.

All noise levels shall be measured at the receptor.

- (h) there is no storage of hazardous materials such as paint or other flammable, corrosive or explosive substances other than that which is necessary for the home occupation and the residential use. All permitted storage of hazardous materials must be undertaken in accordance with any applicable legislation and guarantees of safe handling and disposal will be provided by the individual conducting the home occupation to the municipality, upon request;
- (i) not more than 25% or 40 m² of the floor area of the dwelling unit, whichever is the lesser, is used for the home occupation, with the exception of those uses specified in Section 2.50(e);
- (j) not more than 20 m² of floor area in one accessory building is used for such purposes and only if such accessory building is located a minimum of 3 m from all lot lines;
- (k) more than one home occupation, in conjunction with more than one home industry and/or rural home occupation may take place on a minimum 1 ha. lot in the Rural and Agriculture zones provided the aggregate area used by all such businesses does not exceed the maximum area as set out in 3.9 (f) and (g).
- (l) more than one home occupation may take place in all other zones provided the aggregate area used by all such businesses does not exceed the maximum area as set out in 3.10 (i) and (j).
- (m) in addition to parking space for the residential use, one parking space per 20 m² of floor area used for the home occupation and one parking space per employee shall be provided on the same lot.
- (n) parking of not more than one commercial vehicle shall be allowed on the same lot provided that the commercial vehicle is not operated or left running so as to be audible beyond the property limits or impact on adjacent properties;
- (o) the following provisions shall apply to home occupations which are operated as a tourist home or bed and breakfast:
 - (i) not more than 4 bedrooms are used for the home occupation regardless of size;
 - (ii) the number of clients permitted shall be as can be accommodated by the number of bedrooms being used for the home occupation;
 - (iii) in addition to the parking provisions for employees, as provided under subsection (k) above, one parking space per bedroom used for the home occupation shall be provided on the same lot.

3.11 Loading Requirements

The owner or occupant of any lot, building or structure located in an Industrial or Commercial Zone which involves the frequent receiving, shipping, loading or unloading of animals, goods, wares, merchandise or raw materials shall provide and maintain on the lot occupied by the building or structure, loading spaces in accordance with the following regulations:

(a) Number of Spaces Required

The number of such loading spaces provided shall be in accordance with the floor area of the building or structure as follows:

<u>Floor Area of Building</u>	<u>No. of Loading Spaces</u>
200 m ² or less	None
Over 200 m ² up to 1000 m ²	1
Over 1,000 m ²	2 plus 1 additional space for each additional 1,000 m ² or part thereof.

(b) Size of Loading Spaces

Each loading space shall be at least 14 m long, 3.5 m wide and have a vertical clearance of at least 4.5 m.

(c) Location

The required loading spaces shall be provided on the lot occupied by the building or structure for which the spaces are required and such space shall not form part of any street.

(d) Access

Access to loading spaces shall be by means of a lane at least 3.5 m wide located on the same lot.

(e) Cumulative Standards

Where there are two or more uses located on the same lot, the loading space requirements shall be the sum of the requirements for each use.

(f) Additions to Buildings

The loading space requirements shall not apply to any building in existence at the date of passing this By-law so long as the floor area, as it existed at such date, is not increased. If an addition is made to the building or structure which increases the floor area, then additional loading space shall be provided as required in Section 3.11(a) for such addition.

3.12 Medical Marijuana Facility

- (a) Where permitted elsewhere in this by-law, no part of a Medical Marijuana Facility building shall be established within 150m of any existing residential dwelling unit located on a separate property, excluding sleep cabins. No Medical Marijuana Facility building shall be

established within 150m of an Institutional Zone on which a school or church use currently exists on.

- (b) Notwithstanding any provisions of this by-law to the contrary, a Medical Marijuana Facility shall be setback a minimum of 70m from any property line.
- (c) Notwithstanding the provision of Section 3.16, no open storage shall be permitted for a medical marijuana facility.

3.13 Non-Conforming Uses

(a) Continuance of Existing Uses

Nothing in this By-law shall prevent the use of any land, building or structure for any purpose prohibited by the By-law if such land, building or structure was lawfully used for such purpose on the day of the passing of the By-law, so long as it continues to be used for that purpose. If a non-conforming building should be damaged by fire, flood, wind, earthquake or other causes beyond human control, nothing in this By-law shall prevent such a building from being restored and strengthened to a safe condition, provided the height and bulk are not increased and provided that reconstruction or restoration is commenced within 12 months of the date on which the damage took place.

(b) Repair of Existing Buildings

Nothing in this By-law shall prevent the strengthening to a safe condition of any building or structure or part of any building or structure which does not comply with the provisions of this By-law, provided such alteration or repair does not increase the height, size or volume or change the use of such building or structure.

(c) Less than Minimum Yard Requirements

Where a building or structure which is a permitted use in the zone has been erected prior to the date of passing of this By-law on a lot having less than the minimum front, side or rear yard required by this By-law, the building may be enlarged, reconstructed, repaired or renovated provided that:

- i) the enlargement, reconstruction, repair or renovation does not reduce any portion of the front, side or rear yard having less than the minimum required by this By-law; and
- ii) all other applicable provisions of this By-law are complied with.

(d) Prior Building Permits

Nothing in this By-law shall prohibit the erection of a building or structure for which a building permit has been issued prior to the date of passing of the By-law, provided that the erection of such building or structure is commenced within 2 years of the date of passing of this By-law and such building or structure is completed within a reasonable time after the erection thereof is commenced.

(e) Existing Undersized Lots

Where a lot having less than the minimum lot area or frontage required by this By-law existing on June 2, 2015 or is increased in area or frontage but still does not meet the minimum area or frontage requirements of this By-law, such lot may be used for a purpose permitted in the zone in which it is located provided that:

- (i) All other applicable provisions in this By-law are met;
- (ii) The lot is an adequate size for a sewage disposal system in accordance with the Ontario Building Code; and
- (iii) A well can be constructed in accordance with applicable legislation.

Further to the note above, this By-law recognizes that Official Plan Amendment No. 25 increased the minimum lot areas for consents within the Community Development Areas and Rural Lands designation. Any lots existing before December 3, 2013 shall be deemed to conform to the minimum lot area of its applicable zone.

(f) Accessory Buildings

Nothing in this By-law shall prevent the erection of a building accessory to an existing non-conforming use provided that such accessory building complies with all relevant provisions of this By-law.

(g) Less than Required Floor Area

Nothing in this By-law shall prevent an extension or addition being made to a permitted dwelling which existed at the time of passing of this By-law but which has a floor area or dwelling unit area less than that required by this By-law, provided such extension or addition does not contravene any other provisions of this By-law.

(h) Change of Use

The use of any lot, building or structure which is not permitted in the zone in which it is located, shall not be changed except to a use which is listed as a permitted use in such zone or to a use which is authorized by the Committee of Adjustment pursuant to its powers under the Planning Act.

3.14 Noxious Uses

No use shall be permitted which from its nature or the materials used therein is declared to be a noxious trade, business or manufacture by the Public Health Act or any regulations made thereunder.

3.15 Occupancy Restrictions

Human habitation shall not be permitted in any private garage or other building which is accessory to a residential use or in any truck, bus, coach or street-car body.

3.16 Open Storage

Open storage shall be permitted in a Commercial, Industrial, Agriculture, Rural, Mineral Aggregate, Wrecking Yard or Waste Disposal Zone in accordance with the following:

- (a) the open storage is accessory to the principal use of the lot;
- (b) open storage, as defined in this By-law, shall not be permitted within any minimum front yard or minimum exterior side yard nor within any minimum side or rear yard where the side or rear lot line abuts any Residential or Institutional Zone;
- (c) any areas used for open storage shall be in addition to any minimum off-street parking or loading areas required by this By-law.

3.17 Parking Requirements

96-12

In any zone, the owner or occupant of any lot, building or structure erected, altered, enlarged or changed in use after the passing of this By-law, shall provide off-street parking in accordance with the following provisions:

(a) Number of Spaces Required

<u>Use of Building or Lot</u>	<u>Parking Required</u>
i) Dwelling Unit	2 spaces per dwelling unit with the exception of a Senior Citizens Dwelling which shall require .25 spaces per dwelling unit with a minimum of 3 spaces.
ii) Secondary Dwelling	1 space per secondary dwelling.
iii) Garden Suite	1 space per garden suite.
ii) Mobile home park	1 space per mobile home plus 1 visitor space for each mobile home site.
iii) Office, bank	1 space for each 20 m ² of floor area; minimum 3 spaces.
iv) School	1 space for each classroom or instruction area.
v) Retail store, personal service, service outlet	1 space for every 25 m of floor area; minimum 3 spaces.
vi) Restaurant, commercial club, private club	1 space for every 4 persons to be accommodated according to maximum permitted capacity.
vii) Tourist lodging establishment	1 space per guest room or suite, plus 1 additional space for every 20 m of floor area devoted to public use.
viii) Tent and trailer park	1.5 spaces per site.

- | | | |
|-------|---------------------------------------|---|
| ix) | Church, arena,
community centre | Where there are fixed seats, 1 space for every 10 seats or 6 m of bench space; where there are no fixed seats, 1 space for each of 20 m ² of floor area devoted to public use. |
| x) | Hospital, nursing home | 1 space for each 4 beds or 75 m ² of floor area, whichever is greater. |
| xi) | Industrial use | 1 space for every 70 m ² of floor area up to 2,000 m ² plus 1 additional space for every 200 m ² of floor area thereafter. |
| xii) | Agricultural or
conservation use | None. |
| xiii) | Adult entertainment
parlour | 1 space for every 2 persons to be accommodated according to maximum permitted capacity. |
| xiv) | Any use other than
those specified | 1 space for each 25 m ² of floor area. |

(b) Size of Parking Space

Every parking space shall have dimensions of at least 3 m by 6 m.

(c) Location

Required parking in a Residential Zone shall be provided on the same lot as the dwelling unit. In all other zones, parking shall be provided within 150 m of the building it is intended to serve and no part of any parking area required for a use other than Residential shall be permitted in a Residential Zone. Where required parking is not provided on the same lot, the lot or part of the lot where the parking is located shall be in the same ownership or be leased by a long term renewable agreement and the parking spaces shall be retained for the duration of the use.

(d) Cumulative Standards

Where two or more uses are permitted in any one building or on any one lot, then the off-street parking requirements for each use shall be calculated as if each use is a separate use, and the total number of off-street parking spaces so calculated shall be provided.

(e) Access to Parking Areas

- i) Access driveways designated for two-way traffic shall be not less than 6 m in width. Separate entrance and exit driveways shall be not less than 3.5 m in width.
- ii) Access to parking areas for commercial or industrial uses shall not pass through a Residential Zone.

(f) Additions to Buildings

The parking space requirements shall not apply to any building in existence at the date of passing of this By-law so long as the floor area, as it existed at such date, is not increased. If an addition is made to the building or structure which increases the floor areas, then parking space for the addition shall be provided as required by Section 3.17(a) of this By-law.

3.18 Public Uses Permitted

Any land may be used and any building or structure may be erected or used for the purpose of a public service by the Corporation of the Township of Beckwith or by any local boards thereof, any telephone, gas or telegraph company, any department or agent of the County of Lanark or the Governments of Ontario or Canada, including Ontario Hydro, provided that:

- (a) the lot coverage, setback and yard requirements prescribed for the zone in which such land, building or structure is located shall be complied with except for transmission facilities for gas, telephone, cable and electric power, including poles, towers, lines and similar elements;
- (b) no goods, material, or equipment shall be stored in the open except in accordance with the zone provisions;
- (c) any building or structure erected in a Residential Zone under the authority of this paragraph shall be designed and maintained in general harmony with the residential buildings.

3.19 Railway Crossings and Sight Distance

Where any road or street crosses a railway at the same grade, no building or structure or other visual obstruction shall hereafter be erected within the site triangle established by measuring from the point of intersection of the centreline of the road and the railway right-of-way, 45 m along the centreline of the road and 215 m along the centreline of the railway right-of-way.

3.20 Rural Home Occupations

97-28

Rural home occupations, as defined in this By-law, shall be considered accessory to any agricultural use. Any such use shall conform to the following provisions:

- (a) the business is conducted by a member of the family residing on the premises;
- (b) no more than 2 persons, other than a member of the family of the owner or occupant shall be engaged in the rural home occupation;
- (c) the only retail uses allowed shall be for those products substantially manufactured on-site or accessory and essential to the business;
- (d) no mechanical or electrical equipment is used except that which is necessary for the rural home occupation and the residential use. Mechanical and electrical equipment shall not impact on adjacent hydro supply. Noise from the mechanical and electrical equipment shall not exceed the following limits:

Community Development Areas:
50 dBA from 7:01 a.m. to 10:59 p.m.

45 dBA from 11:00 p.m. to 7:00 a.m.

All other areas:

45 dBA from 7:01 a.m. to 10:59 p.m.

40 dBA from 11:00 p.m. to 7:00 a.m.

All noise levels shall be measured at the receptor.

- (e) there is no storage of hazardous materials such as paint or other flammable, corrosive or explosive substances other than that which is necessary for the rural home occupation and the residential use. All permitted storage of hazardous materials must be undertaken in accordance with any applicable legislation and guarantees of safe handling and disposal will be provided by the individual conducting the rural home occupation to the municipality, upon request;
- (f) a rural home occupation shall not be permitted on a lot having less than a minimum Lot Area of 1 ha.
- (g) no more than 25% of the floor area of the dwelling unit and no more than 50 m² in one accessory building shall be used for the rural home occupation;
- (h) open storage may be permitted for rural home occupations provided such storage is a minimum of 15 m from any lot line and a minimum of 45 m from a residential use on another lot. The area used for open storage shall not exceed 50 m²;
- (i) more than one rural home occupation, in conjunction with more than one home occupation and/or home industry may take place on a minimum 1 ha. lot in the Rural and Agriculture zones, or in any zone which permits an agricultural use, provided the aggregate area used by all such businesses does not exceed the maximum area as set out in 3.20 (g) and (h).
- (j) an aggregate of no more than four persons shall be actively working in any one location for multiple occupations/industries.
- (k) in addition to parking space for the residential use, one parking space per 20 m² of floor area used for the rural home occupation and one parking space per employee shall be provided on the same lot;
- (l) parking of not more than three (3) commercial vehicles shall be allowed on the same lot provided that the commercial vehicles are not operated or left running so as to be audible beyond the property limits or impact on adjacent properties.

3.21 Separation Distances

92-11; 96-12; 99-05; 2015-20

Notwithstanding any provision of this By-law to the contrary, new dwellings will be prohibited in the following locations:

- i) within 150 m of any land zoned Wrecking Yard;
- ii) within 500 m of any land zoned Waste Disposal;
- iii) within 300 m of any land zoned Mineral Aggregate-Pit Reserve Area;
- iv) within 500 m of any land zoned Mineral Aggregate-Quarry Reserve Area;
- v) within 300m of any lands zoned Mineral Aggregate-Pit;
- vi) within 500m of any lands zoned Mineral Aggregate-Quarry;
- vii) within a separation distance established by the Minimum Distance Separation formulae;

- viii) within 500 m of any land used as an Adult Entertainment Parlour.
- ix) within 100m. of any land used for an Adult Entertainment – Goods use.

3.22 Setbacks

(a) From Streets

The following setbacks shall be the minimum required:

Street Setback

Township streets	10 m plus minimum front yard for the appropriate zone.
------------------	--

(b) From Water 99-21; 2015-20

Where an existing lot on which a building or structure is to be erected is adjacent to a waterbody or watercourse, such building or structure including a sewage disposal system, but excluding a marina or a marine facility, private and public docks, boathouses, public beaches or shoreline stabilization works shall be setback a minimum of 20m from the high water mark. For any lot created after June 1, 1999, the minimum setback shall be the greater of the following:

- (a) 30m from the high water mark;
- (b) 15m from the top of bank;
- (c) Development limits established by the regulatory flood line;
- (d) Development limits established by environmental impact assessments; or
- (e) Development limits established by the erosion hazard limit.

Notwithstanding the foregoing, replacement of an existing sewage disposal system shall take place in accordance with the provisions of Part 8 of the Ontario Building Code and the provisions of the Building Code Act.

(c) From Wetlands

Where any lot on which a building or structure is to be erected is adjacent to or contains an area which is zoned Wetlands, such building or structure shall be set back a minimum of 20 m and a sewage disposal system shall be set back a minimum of 30 m from the Wetlands Zone.

(d) From Drainage Features 01-17

The following setbacks shall be the minimum required:

Municipal Drain/Mutual Agreement Drain	3 m. or as set out in the drainage schedule
Stormwater Management Pond	15 m.
Roadside Ditch	Minimum yard for the appropriate zone

3.23 Special Provisions for Automobile Service Stations and Commercial Garages

Where automobile service stations and commercial garages are permitted in this By-law, the following provisions shall also apply:

- (a) the minimum distance of any pump or advertising sign from any street line shall be 9 m and 6 m from any other lot line;
- (b) the width of any entrance or exit or combined entrance or exit measured at the front lot line or exterior side lot line shall not be greater than 9 m and there shall not be more than 2 accesses from any one street which adjoins the lot.

3.24 Swimming Pools

No swimming pool shall be located within the minimum front yard or minimum exterior side yard nor closer than 3 m to any rear or interior side lot line. All swimming pools shall be totally enclosed by a fence not less than 1.2 m high made of a sturdy material and having a gate capable of being locked.

3.25 Temporary Uses Permitted

97-27 & 00-31

- i) The following uses shall be permitted in any zone:

Any temporary construction facility such as sheds, scaffolds, sales offices and equipment and temporary accommodation incidental to building on the premises for so long as work is in progress.

Temporary accommodation will only be permitted when an existing dwelling is damaged to the extent that it becomes unlivable and for the time period where reconstruction or new construction is in progress or for the time period where new construction is in progress on a vacant lot.

On a lot having a residential use, where new construction of a replacement dwelling is proposed, the existing dwelling may be used as temporary accommodation only for the time period where new construction is in progress. The existing dwelling, used as temporary accommodation, shall be removed from the lot within 30 days of occupancy of the replacement dwelling.

- ii) The following use shall be permitted in any zone which allows an agricultural use:

Temporary accommodation, in the form of a maximum of one mobile home, for additional farm help only for that period of time the farm help is employed full-time in an active farming operation. Establishment of temporary accommodation, in the form of a mobile home, shall only be permitted after the issuance of a building permit by the Chief Building Official. Should the temporary accommodation no longer be required, then the temporary accommodation shall be removed within six months of the date of last occupancy.

3.26 Through Lots

Where a lot is a through lot, the requirements for front yards contained in this By-law shall apply

to each yard abutting the street.

3.27 Vehicle Storage

00-05

No person shall allow a vehicle without current license plates to be parked outside on a lot for more than six (6) months except within an approved wrecking yard. Farm vehicles shall be exempted from this provision provided such vehicle is not stored within the minimum front yard or minimum exterior side yard.

3.28 Yard Encroachments

Every part of any minimum required yard shall be open and unobstructed from the ground to the sky by any structure other than an accessory building or structure permitted elsewhere in this By-law, provided however, that those structures listed below shall be permitted to project into the minimum required yards indicated for the distances specified.

- i) Belt courses, sills, cornices, eaves, gutters, chimneys, bay windows, pilasters or other ornamental structures may project into any minimum required yard not more than .6 m.
- ii) Open and roofed porches, sundecks, balconies, exterior stairs and landings may project into any minimum required front or rear yard not more than 1.5 m.
- iii) Uncovered patios, awnings, fences, garden trellises and similar landscaping features, all plant materials, clothes poles, flag poles, retaining walls and similar accessories may be permitted in any minimum yard.

3.29 Uses Prohibited

(a) Mobile Homes

The placement or use of mobile homes is prohibited except on lands which are zoned to specifically permit a mobile home or where permitted as temporary accommodation in accordance with Section 3.25.

(b) Pits and Quarries

The making or establishment of a pit or quarry other than a wayside pit or wayside quarry is prohibited except on lands which are zoned to specifically permit a pit or quarry.

3.30 Secondary Dwellings

Secondary dwellings as defined in this By-law shall be permitted in accordance with the following:

- (a) A secondary dwelling shall be permitted within a permitted dwelling in the following zones: Residential (R) Zone; Multiple Residential (RM) Zone; Rural Residential (RR) Zone; Agriculture (A) Zone; and Rural (RU) Zone.
- (b) There shall be a maximum of one secondary dwelling per single dwelling;

- (c) There shall be a maximum of one secondary dwelling within each half of a semi-detached dwelling;
- (d) There shall be a maximum of one secondary dwelling within each half of a duplex dwelling;
- (e) There shall be a maximum of one secondary dwelling within each dwelling unit of a row dwelling;
- (f) The secondary dwelling shall have a private entrance from outside the principle dwelling, or from a common hallway, or from a stairway inside the principle dwelling;
- (g) The required parking for a secondary dwelling shall be provided on the same lot as the principle dwelling and use the same entrance off the public street as the principle dwelling;
- (h) A secondary dwelling shall not be permitted if a garden suite or sleep cabin is located on the same lot;
- (i) A secondary dwelling shall be developed in accordance with all other relevant Sections of this By-law and other legislation.

3.31 Sleep Cabins

Sleep cabins as defined in this By-law shall be permitted in accordance with the following:

- (a) A sleep cabin shall be permitted as part of an existing accessory building or structure which is accessory to a permitted dwelling in the following zones: Residential (R) Zone; Rural Residential (RR) Zone; Agriculture (A) Zone; and Rural (RU) Zone;
- (b) There shall be a maximum of one sleep cabin on a lot;
- (c) A sleep cabin shall not be permitted if a garden suite or secondary dwelling is located on the same lot;
- (d) A sleep cabin shall be developed in accordance with all other relevant Sections of this By-law and other legislation.

SECTION 4 ZONES

4.1 Zone Classifications

For the purpose of this By-law, all land within the Township of Beckwith is divided into the following zones which are identified on the attached Schedules by the accompanying symbols:

Residential	R
-Multiple	RM
-Mobile Home Park	RMHP
-Rural	RR
-Limited Services	RLS
Commercial	C
-Shopping Centre	CS
-Local	CL
-Tourist	CT
-Rural	CR

- Pit	AP
- Quarry	AQ
- Pit Reserve Area	APR
-Quarry Reserve Area	AQR
Constraint	CON
Wrecking Yard	WY
Waste Disposal	WD
Septage Disposal	SD

4.2 Schedules

The attached Schedules A and B form a part of this By-law.

4.3 Boundaries of Zones

Where the boundary of any zone, as shown on the attached Schedules, is uncertain the following provisions shall apply:

- (a) where the boundary is indicated as following a street, lane, railway right-of-way or other right-of-way, then the boundary shall be the centre line of such street, lane, railway right-of-way or other right-of-way;
- (b) where the boundary is shown as approximately following a lot or a concession line or a lot line or an extension of a lot line on a registered plan of subdivision or registered survey plan, the surveyed line or extension thereof shall be the boundary;
- (c) where the boundary is shown as approximately following a watercourse, the high water mark shall be the boundary;
- (d) where the provisions of none of the above are applicable, then the boundary shall be determined from the Schedules at the original scale which are available at the Clerk's office;
- (e) the boundaries of the Flood Plain Zones around Mississippi Lake and along the Mississippi River correspond to the flood line as established by the Mississippi Valley Conservation Authority. Small segments of the Jock River have flood plain mapping approved by the Rideau Valley Conservation Authority. Wherever flood plain mapping is available, the boundary of the Flood Plain Zone corresponds to the approved line. All other Flood Plain Zones have been based on air photo interpretation. The boundary of the latter zones shall be determined from the Schedules of the By-law at the original scale.

4.4 Streets and Rights-of-Way

A street, lane, railway right-of-way or other right-of-way shown on the attached Schedules shall be included, unless otherwise indicated, with the zone of adjoining property on either side thereof.

4.5 Holding Zones

Where a zone classification is followed by a dash and the letter 'h', this denotes a holding zone. Within such zones, existing uses only will be permitted. The removal of the holding provision will require an amendment to the By-law. Prior to the removal of a holding provision, Council will hold a public meeting. Notice of the public meeting must be given to the owner of the subject property, to all relevant public agencies and to all owners within 120 metres of the subject property and to any person who requested in writing to be notified. Notice of the public meeting shall be given at least two weeks prior to the date at which the amendment will be considered. Such amendment will only be passed by Council when any applicable servicing, phasing, financial arrangements, agreements or conditions for the lands affected have been determined to the satisfaction of Council.

4.6 Special Exception Zones

Where a zone classification is followed by a dash and a number (for example R-1), the lands so zoned shall be subject to all of the provisions of the zone represented by the classification except as otherwise provided by the special exception provisions of the zone. These special provisions are listed separately under the appropriate zone in the text of the By-law.

4.7 Temporary Use Zones

04-15

Where a temporary zone is established by amendment to this By-law, it will be included as a new subsection to the applicable zone category. The By-law amendment will specify the temporary use permitted and the date on which the temporary provision will cease. The property will be identified on the Schedule as a suffix to the particular zone using the letter 'T' followed by a number (for example: RU-T1).

4.8 Special Provision Zone

2008-39

Where a zone classification is followed by the suffix '-S', the lands so identified are within the Special Service Area. The following requirements will apply to the lands with the suffix '-S' in addition to other requirements of the specific zone.

On lots created after December 15, 2005 any new dwelling or other use with a domestic type water supply must:

- (i) participate in the Program and install and keep in place the water treatment equipment approved by the Township and described within the Implementation Plan;
- (ii) pay the fees and charge related to participation in the Program as detailed within the Fees By-law, as amended from time to time.

On lots created prior to December 15, 2005, for any dwelling or other use with a domestic type water supply, participation in the Program as set out above will be optional.

Notwithstanding the provisions of the Residential (R) zone, for lots with the suffix '-S', the only residential use permitted will be a single dwelling.

SECTION 5 RESIDENTIAL ZONES

No person shall hereafter use any lands, nor erect, alter, enlarge or use any building or structure in a Residential Zone except in accordance with the provisions of this Section and of any other relevant Sections of this By-law.

5.1 Residential (R)

- (a) Permitted Uses: (please see specific Zone Requirements below)
