

# MESSAGE FROM REEVE KIDD

June 11th, 2020

## IT'S TIME FOR POSITIVE CHANGE

Racism has had a spotlight put on it around the world the past 2 weeks and rightfully so. Racism is definitely a problem that some of our residents have encountered in their lives and continue to encounter. This is a problem that we must correct. This can only be done by all of us realizing that we are created equally and should all be treated with respect as human being. That is the policy and practise of our staff and Council in Beckwith Township. If we all do this

together we can make a difference in the world.

## COVID-19—Update #17

### TOWNSHIP UPDATES

Ontario is extending the provincial Declaration of Emergency to June 30.

After much consideration for the safety and well-being of our residents Council has made the decision to cancel the Canada Day Seniors Breakfast and Hootenanny along with the Goodwood Music Festival for 2020. If you have purchased a ticket for the Goodwood Music Festival your ticket may be refunded or will be honoured for the 2021 festival. Please contact the Township Office for details, 613-257-1539.

Council has also decided that under the structure and the guidelines in place by the Province that the Beckwith Day / Sports Camp and the Beckwith Hockey Camp will not run for the 2020 summer. If something changes within the guidelines of the Province, Council will re-evaluate the decision based on the new information.

### HEALTH AND GENERAL INFORMATION ON COVID-19

For up-to-date information related to COVID-19, including links to resources, statistics and health assessment information and guidance, visit the Leeds Grenville Lanark District Health Unit website at <https://healthunit.org/coronavirus/>

*Sincerely,  
Reeve Richard Kidd*
