COVID-19—Update #7

Waste Management Pick-up

As the changes in our communities are occurring due to the current COVID-19 outbreak and many people are isolated at home or unable to go to work we have been encountering a number of circumstances where the waste management company has noted that residents are not getting their waste and/or recycling to the curb by 7:00 a.m.

Pick-up times for curbside garbage and recycling may vary from week to week; residents should have their garbage and recycling at the curbside by **7:00 a.m.** on their scheduled day for curbside collection to ensure the safety of the drivers and residents while socially and physically distancing measures are in place.

With Municipal Office currently closed to the public, if you require garbage tag stickers please contact the Beckwith Township Office, 613-257-1539 to make arrangements for your waste pick-up and garbage tag stickers.

Activities While you Are Home:

Please watch the Township Facebook Page as staff are compiling a list of activities for you and your family while you are enjoying your time at home such as Neighbourhood Scavenger Hunts, Neighbourhood Bingo, Heritage Articles for Interest, Facts about the Township of Beckwith, Gardening Tips, along with many others. We hope this provides an opportunity for you and your families to learn about Beckwith Township and spend sometime outdoors.

Ontario Tele-Health COVID-19

Ontario Tele-Health has posted a self-assessment tool for COVID-19 to determine if you seek further care. Please follow this link to access the tool:

https://www.ontario.ca/…/2019-novel-coronavirus-covid-19-se…

The Township will continue to monitor the situation as it evolves and take direction from the Federal government, Provincial government and Health Unit. As always, we encourage all residents to be prudent and follow the directive from the Health Unit on how to protect themselves and their family: https://healthunit.org/

Sincerely
Reeve Richard Kidd
